

# HDC-4 HEATED DISPLAY CABINET

DESIGNED SMART. BUILT SOLID.

**APW**  
*wyott*  
A Standex Company

**Multi-  
Purpose**

**Engaging**

**Effortless**

**Multipurpose design** allows a variety of product to be displayed using different merchandising options.

**Engaging, open appearance** attracts customers with rotating or static shelving to display product.

**Effortless management**, display configuration, cleaning and maintenance.

# Heated Display Cabinet

**Handles crispy or moist food** equally well with unique combination of air convection heater and humidity water heater.

- Air Convection Heater features a 700-Watt system.
- Humidity Water Heater utilizes a 500-Watt system and a 3 quart water holding unit.

**Pizza racks** with four shelves holding pizzas up to 18" D.

**Pretzel rack** capable of holding 36 large pretzels.

**Sandwich or crispy chicken** Racks with four shelves.

**Easily switchable** from one product group to another, with minimal effort.

**Optional pizza and pretzel rack** utilizes a revolving stainless steel spindle, creating the maximum product appeal and sales. Rack stops revolving when door opens.

**Rear door is reversible** to allow for placement in all tight corners or counter set-ups.

**Convertible to a front-access** self-serve model with pass through door option.
