1

X*PERT™ SERIES ROLLER GRILLS

Available in a variety of configuration sizes: (20, 31, 50, and 75), flat or slanted, and chrome or non-stick rollers. These roller grills provide unmatched performance, unequalled reliability and ease of operation. Offered with manual or digital controls. Optional sneeze guards are offered in pass-through or enclosed design.

2

BUN WARMERS – DRY

Designed to work with our roller grills, our bun warmers will save you up to 60% in energy costs over competitor bun warmers. Easily add custom graphics to attract customer attention.

3

X*PERT SERIES THERMO-DRAWERS

Hold food up to 6+ hours without sacrificing quality or appearance of the product with our X*Pert SPTU Thermo-drawers. Easily set the timer to a specific time and the unit will automatically heat and enter hold mode. Simple to use, space saving, doubles roller grill capacity.

4

REFRIGERATED CONDIMENT SERVING STATIONS

Available in a wide variety of sizes (RTR-4, RTR-8), countertop, and drop-in designs, these condiment serving stations chill food consistently between 33° and 40° without ice. Easy to operate, plug & play and NSF7 rated.

5

COUNTERTOP HEATED DISPLAY CABINETS

Hold and display a variety of crispy or moist food at their optimal temperatures with our unique combination of heated air convection and humidity control.

6

COUNTERTOP WARMING CABINETS

This self-serve hot food display cabinet has adjustable shelves for products of any size. The snap-shut door ensure escaping heat is kept to a minimum while the circulating fan keeps temperatures within safe levels for long holding times.

7

OPEN AIR MERCHANDISERS

Available in a variety of sizes (30" to 60"), horizontal or flat shelves, and single or double shelves, these merchandisers keep food at their optimal holding temperatures. Customize your merchandiser with accent colors and graphics.

8

COUNTERTOP SOUP WARMER & DISPLAYS

The compact design of our soup warmers saves counter space and allows you to mix and match 1/3 and 1/6-pans for a variety of offerings. Available in 1, 2 or 3 pan versions. Units can run wet or dry.

9

CLASSIC INSULATED KETTLE COOKERS AND WARMERS

These 11 quart warmers are great for serving soups, chowders, chili and a variety of sauces. The attractive heavy-duty aluminum kettles are thermostatically controlled to keep temperatures steady up to 350° degrees.

10

ELECTRIC GRIDDLES

Our griddles feature a 1" griddle plate, snap action controls and 4" adjustable legs. Available in 24", 36", and 48" widths and 208/240V and 220V.

11

GAS RADIANT CHARBROILERS

Extend your menu of hot grab-n-go meals with our heavy-duty charbroilers. These low profile countertop charbroilers are available in a variety of sizes (24" – 72") and have a built in front grease trough for ease of cleaning.

12

COUNTERTOP GAS FRYERS

Our countertop gas fryers are available in 15 and 25 pound capacities and offer quick recovery to keep up with customer demand.

13

COUNTERTOP E300 SPEED OVENS

Using microwaves and top/bottom air impingement, the Bakers Pride E300 speed oven cooks food amazingly fast so you can keep up with customer demand. Cook, reheat, bake and brown all without compromising quality or taste. Easy to operate. Easy to program. Easy to clean.
