

**X\*PERT**® ROLLER GRILLS  
*Series*

DESIGNED SMART. BUILT SOLID.®

**UNCOMPLICATED**

**ADAPTABLE**

**CONVENIENT**

Designed to be strong, simple and attractive X\*Pert Series Roller Grills provide the widest range of solutions possible in the retail roller grill category.

- Available with Bun Drawer or Bun Warmer incorporated in a single unit
- “Best in Class” temperature variance of less than seven degrees
- Patent pending bearing design, infinite controls, and non-stick rollers

### **UNCOMPLICATED**

- New patent pending bearing eliminates wear while doubling bearing life
- Simple controls easily manage two separate control zones
- Tru-Turn roller tube coating is more than 30% thicker than competitive units

### **ADAPTABLE**

- Heat and hold all roller grill foods, including links, dogs, taquitos, and more
- “Clerk served” or “self-serve” merchandising capability
- Equipment packages tailored to fit any operation and menu capacity

### **CONVENIENT**

- High product visibility, and sleek, contemporary design
- “Tru-Turn” coated rollers wipe clean with a damp cloth
- Easy access to previously “hard to reach” areas
- Stainless steel exterior for maximum durability

# Roller Grills
