2. GENERAL INFORMATION

General Installation
1. Always clean equipment thoroughly before first use. (See general cleaning instructions.)
2. Check rating label for your model designation & electrical rating.
3. Locate equipment on level counter and plug into a grounded outlet so that the plug is accessible.
   (See individual description for electrical loads.) On units bearing the CE marking the appliance must
   be connected by an earthing cable to all other units in the complete installation and hence to an
   independent earth connection.

General Operating Instructions
1. All foodservice equipment should be operated by trained personnel.
2. Do not allow your customers to come in contact with any surface labeled "CAUTION HOT."
3. Where applicable: Never pour cold water into dry heated units.
4. Where applicable, do not cook, warm or hold food directly in liner pans (well pans). Always use
   steam table pans/insets, etc.
5. Never hold food below 150°F (66°C)

General Cleaning Instructions
1. NEVER clean any electrical unit by immersing it in water. Unplug unit before surface cleaning.
2. Always clean equipment thoroughly before first use. Clean unit daily. Except where noted on charts:
   Use warm, soapy water. Mild cleansers & PLASTIC scouring pads may be used to remove baked-on
   food & water scale.
3. Unplug all units before cleaning or servicing. All service should be performed by an APW Wyott
   authorized service agency.
4. Do not use chlorides or chloride-based products in this unit. Always clean equipment before first
   use. Clean unit daily. Use warm, soapy water. Rinse thoroughly to remove all residue. Chlorides,
   chloride-based products and improper cleaning may cause corrosion and pitting.
   Failure to comply with these instructions may void unit warranty.
3. GENERAL TROUBLESHOOTING

Always ask & check:
1. Is the unit plugged in?
2. Check circuit breaker.
3. Is power switch on & pilot light glowing?
4. Check rating label. Are you operating unit on proper voltage? If the supply cord is damaged, it should only be replaced by an identical supply cord. If the above checks out, and you still have problems, call an APW authorized service agency.

11. WARRANTY PROCEDURE

If warranty service is needed on your APW Wyott equipment, follow these steps:

1. Secure the model and serial number from the rating label on your appliance.
2. Consult the enclosed directory, find the service agency nearest you, and call the number listed or the
   24-hour toll free service hot line, 1-800-733-2203. If there is not a service agency listed for your area,
   the parts distributor will provide service for your appliance.
3. To order parts, consult the enclosed directory. The parts distributor is listed at the beginning of each
   state listing. The parts distributors have a complete stock of parts for your appliance.
12. APW WYOTT EQUIPMENT LIMITED WARRANTY

APW Wyott Foodservice Equipment Company warrants its equipment against defects in materials and workmanship, subject to the following conditions:

This warranty applies to the original owner only and is not assignable.

Should any product fail to function in its intended manner under normal use within the limits defined in this warranty, at the option of APW Wyott such product will be repaired or replaced by APW Wyott or its Authorized Service Agency. APW Wyott will only be responsible for charges incurred or service performed by its Authorized Service Agencies. The use of other than APW Wyott Authorized Service Agencies will void this warranty and APW Wyott will not be responsible for such work or any charges associated with the same. The closest APW Wyott Authorized Service Agent must be used.

This warranty covers products shipped into the 48 contiguous United States, Hawaii, metropolitan areas of Alaska and Canada. There will be no labor coverage for equipment located on any island not connected by roadway to the mainland.

Warranty coverage on products used outside the 48 contiguous United States, Hawaii, and metropolitan areas of Alaska and Canada may vary. Contact the international APW Wyott distributor, dealer, or service agency for details.

Time Period

One year for parts and one year for labor, effective from the date of purchase by the original owner. The Authorized Service Agency shall, at its option, require proof of purchase. Parts replaced under this warranty are warranted for the unexpired portion of the original warranty only.

Exceptions

*Gas/Electric Cookline: Models GCB, GCRB, GE, GGM, GGT, CHP-H, EF, FG, EHR. Three (3) Year Warranty on all component parts, except switches and thermostats. (2 additional years on parts only. No labor on second or third year.)
*Heat Strips: Models FD, FDL, FDD, FDDL. Two (2) Year Warranty on element only. No labor second year.

In all cases, parts covered by extended warranty will be shipped FOB the factory after the first year.

Portable Carry In Products

Equipment weighing over 70 pounds or permanently installed will be serviced on-site as per the terms of this warranty. Equipment weighing 70 pounds or under, and which is not permanently installed, i.e. with cord and plug, is considered portable and is subject to the following warranty handling limitations. If portable equipment fails to operate in its intended manner on the first day of connection, or use, at APW Wyott's option or its Authorized Service Agency, it will be serviced on-site or replaced.

From day two through the conclusion of this warranty period, portable units must be taken to or sent prepaid to the APW Wyott Authorized Service Agency for in-warranty repairs. No mileage or travel charges are allowed on portable units after the first day of use. If the customer requests on-site service, they may receive same by paying the travel and mileage charges. Exceptions to this rule: (1) countertop warmers and cookers, which are covered under the Enhanced Warranty Program, and (2) toasters or roll grills which have in store service.

Exclusions

The following conditions are not covered by warranty:

*Equipment failure relating to improper installation, improper utility connection or supply and problems due to ventilation.
*Equipment that has not been properly maintained, calibration of controls, adjustments, damage from improper cleaning and water damage to controls.
*Equipment that has not been used in an appropriate manner, or has been subject to misuse or misapplication, neglect, abuse, accident, alteration, negligence, damage during transit, delivery or installation, fire, flood, riot or act of god.
*Equipment that has the model number or serial number removed or altered.

If the equipment has been changed, altered, modified or repaired by other than an Authorized Service Agency during or after the warranty period, then the manufacturer shall not be liable for any damages to any person or to any property, which may result from the use of the equipment thereafter.

This warranty does not cover services performed at overtime or premium labor rates. Should service be required at times which normally involve overtime or premium labor rates, the owner shall be charged for the difference between normal service rates and such premium rates. APW Wyott does not assume any liability for extended delays in replacing or repairing any items beyond its control.

In all cases, the use of other than APW Wyott Authorized OEM Replacement Parts will void this warranty.

This equipment is intended for commercial use only. Warranty is void if equipment is installed in other than commercial application.

Water Quality Requirements

Water supply used for a unit that has in excess of 3.0 grains of hardness per gallon (GHG) must be treated or softened before being used. Water containing over 3.0 GHG will decrease the efficiency and reduce the operation life of the unit.

Note: Product failure caused by liming or sediment buildup is not covered under warranty.

"THE FOREGOING WARRANTY IS IN LIEU OF ANY AND ALL OTHER WARRANTIES EXPRESSED OR IMPLIED INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR PARTICULAR PURPOSES AND CONSTITUTES THE ENTIRE LIABILITY OF APW WYOTT. IN NO EVENT DOES THE LIMITED WARRANTY EXTEND BEYOND THE TERMS STATED HEREIN."
1. APW Wyott will replace the unit. When calling the factory, besides the above information, you will need Electrical Characteristics, voltage and phase; describe the problems the best you can. The factory will require a Visa or MasterCard number and expiration date of same to assure return and/or validity of condition. Upon validation of credit card information, factory will strive to ship a replacement unit the same day if call is received before 3 p.m. Central Time or the next day if later. The replacement unit will be shipped prepaid regular UPS or equivalent. If requested Next Day Air or Priority, shipment will be made at customer's expense. Upon receipt, it is the customer's responsibility to unpack the new unit, taking care to preserve the packaging. Repack the unit being replaced in the same container using caution to pack properly and return this unit to the factory following the instructions supplied. Factory will supply return label and UPS call tag; both must be used. If original unit is returned within 30 days and is as represented, the credit card validation will be cancelled.

IMPORTANT
If factory does not receive the unit to be returned within 30 days, the unit will be billed to the credit card number supplied. If the returned unit is not as represented — i.e. out of warranty, customer abuse, then it will be billed to the credit card number supplied. In these cases, the person calling in the problem will be contacted and, if applicable, the returned unit, if charged for, will be returned to the original owner if requested.

2. You may take this unit to the APW Wyott Authorized Service Distributor. List of same is included with each product. If the problem is covered under warranty, the unit will be repaired at no cost to you. If the Authorized Agency cannot repair same within a reasonable time while you wait, it will be returned to you prepaid, via UPS.

3. You can request the Authorized Service Distributor to service the equipment on site. If problem is covered under the warranty, the parts and labor will be billed to the factory, while the mileage and travel time will be the responsibility of the owner.

On All Calls, You Will Need To Give The Following Information.
1. Name and title of person calling
2. Phone number of person calling
3. Business name
4. Street address
5. City, State, Zip
6. Model Number (from serial plate)
7. Serial Number (from serial plate)
8. Date purchased (if serial number indicates date of manufacture is over 13 months old, you will be asked to supply proof of purchase)
9. Purchased from

For Shortage — Supply The Above Information And Fully Explain What Is Missing.
It will be sent immediately — prepaid via UPS or equivalent. (Next Day Air or Priority shipments available at customer's expense)

24-Hour Service Hotline: 1-800-733-2203

This replacement warranty is only available on selected products shipped within the continental USA, Alaska, Hawaii and Canada.
As with most warranties, warranty is only valid to the original end-user/owner.
INSTRUCTIONS AND PROCEDURES MUST BE FOLLOWED OR THE WARRANTY IS VOID.
